A bookish AFFAIR!

✓ All the bookworms and the well known authors in the city were present at this book launch on Sunday evening at this MG road address. Everyone was excited about Shoba Narayan's, new book called *The Cows of Bangalore*. The evening started off with a Q&A session with the guests who were seen in animated chatter with each other. The evening took on a meaningful note as everyone engaged in deep conversations as they sipped cocktails all through out the event. By the looks of it, it was a perfect way to chill on a summer evening in Bengaluru.
